His Excellency **Mr. Maithripala Sirisena**

President of the Socialist Republic of Sri Lanka, Colombo

(Through Embassy of Sri Lanka, Kathmandu)

Excellency,

Recent spate of terrorist attacks at different Churches and other posh areas of Sri Lanka where many innocent peoples were killed and numerous sustained injuries is a despicable act of terrorism.

On behalf of Naya Shakti Party and myself, while strongly condemning the heinous act of terrorism, we express our deepest sympathies to the bereaved family members and to the government and peoples of Sri Lanka at this hour of profound sorrow.

Our sincere tribute to those who lost their lives and pray for the speedy recovery of health of those who were injured.

Dr. Baburam Bhattarai

Former Prime Minister and Convener Naya Shakti Party, Nepal
